Michael Myers is a senior director of asset management for Enterprise Community Asset Management, Inc. He leads a team of asset management professionals responsible for ensuring the long-term physical, financial and regulatory health of Low-Income Housing Tax Credit multifamily projects in the West region. He is responsible for the overall risk management of the West portfolio and for developing and maintaining relationships throughout his region. He has more than 16 years of experience in real estate.

Michael joined Enterprise as an asset manager in 2011 in the Portland, Oregon office and was promoted to senior asset manager in 2013, director in 2014 and senior director in 2016. He came to Enterprise with over 12 years of Low-Income Housing Tax Credit experience as an asset manager with another syndication group and as a senior field analyst with a market research firm.

Michael is a Housing Credit Compliance Professional (HCCP) who achieved his Certified Property Manager (CPM ®) designation in 2012 through the Institute of Real Estate Management. He graduated from the University of Maryland with a bachelor's degree in economics and general business.
