ABOUT US

Our MISSION:
Make home and community places of pride, power and belonging, and platforms for resilience and upward mobility for all.

Enterprise is the only national nonprofit that addresses America’s affordable housing crisis from every angle, combining 40 years of experience, thousands of partners and the expertise of over 1,100 employees nationwide.

Our Goals

INCREASE HOUSING SUPPLY
Every day, we fight to put good homes within reach. We invest in and advocate for the preservation and production of quality homes that are affordable.

ADVANCE RACIAL EQUITY
Dismantling the enduring legacy of systemic racism in housing – in policy, practice and investment – has become central to the work we do.

BUILD RESILIENCE & UPWARD MOBILITY
Economic, climate and health shocks devastate communities. By strengthening people and places to prepare and recover, we promote stability, well-being and upward mobility.

WE’VE GOT A STRONG RECORD OF MAKING EFFECTIVE AND EFFICIENT PROGRESS

We are Enterprise. We operate across three divisions – Solutions, Capital and Communities – that unify and leverage a family of companies together to execute our work. Our Solutions division operates a 501(c)(3) nonprofit with 11 offices in cities across the country, and with program, policy, advisory and capacity-building arms at the national, state and local level. Our Capital division comprises several subsidiaries: a 501(c)(4) nonprofit that invests a range of tax credits and equity; a 501(c)(3) nonprofit that is one of the country’s largest publicly-rated Community Development Financial Institutions (CDFI); and a controlling interest in Bellwether Enterprise, a national mortgage lender. Our Communities division operates a 501(c)3 nonprofit that is the nation’s fifth-largest affordable housing nonprofit developer, owner, operator and provider of resident services. © 2020 Enterprise Community Partners, Inc.

**What We Do**
- We develop and deploy programs and support community organizations on the ground.
- We advocate for nonpartisan policy at every level of government.
- We invest capital to build and preserve rental homes people can afford.
- And we own and operate 13,000 affordable homes and provide resident services for 22,000 people.

*All so that people not only make rent, they build futures.*
