ABOUT US

OUR MISSION:
Make home and community places of pride, power and belonging, and platforms for resilience and upward mobility for all.

Enterprise is the only national nonprofit that addresses America’s affordable housing crisis from every angle, combining 40 years of experience, thousands of partners and the expertise of over 1,100 employees nationwide.

Our Goals

INCREASE HOUSING SUPPLY
Every day, we fight to put good homes within reach. We invest in and advocate for quality homes that are affordable and resilient to climate events.

ADVANCE RACIAL EQUITY
Countering the enduring legacy of systemic racism in housing – in policy, practice and investment – is central to the work we do.

BUILD RESILIENCE AND UPWARD MOBILITY
Climate, health and economic shocks are devastating to communities. We provide strength to people and places so they can both withstand and recover from disasters.

WE’VE GOT A STRONG RECORD OF MAKING EFFECTIVE AND EFFICIENT PROGRESS

What We Do

- We develop and deploy programs and support community organizations on the ground.
- We advocate for nonpartisan policy at every level of government.
- We invest capital to build and preserve rental homes people can afford.
- And we own and operate 13,000 affordable homes and provide resident services for 22,000 people.

All so that people not only make rent, they build futures.

Where We Work

Enterprise works with state and local partners in communities throughout the U.S. and has offices in 11 markets from coast to coast.
