					<p>*6-month lag between FR notice and grant agreement between grantee and HUD. Delay partially caused by government shutdown, as noted in <a href="#">84 FR 97</a></p> <p>Note: Until the 4/2018 allocation announcement, allocations were made alongside the Federal Register notice with guidance, waivers, and requirements. The allocation made in 4/2018 without an accompanying FR notice appears unprecedented.</p>
