- Access and Affordability of Health Care
- Health Status

HEALTH & WELL-BEING IN BOSTON, MA

This map shows redlining on top of Enterprise’s Health & Well-Being Opportunity Outcomes which may suggest a historic legacy of redlining in Boston’s communities.

THINK ABOUT WHERE YOU LIVE

- Where do you live?
- What stands out to you about this map?
- How might redlining play a role in shaping the experiences of the people in your community?
- In your experience, what other factors might be contributing to the outcomes observed where you live?
- What steps can we make together to improve outcomes for all communities?
