THINK ABOUT WHERE YOU LIVE

- Where do you live?
- What stands out to you about this map?
- How might redlining play a role in shaping the experiences of the people in your community?
- In your experience, what other factors might be contributing to the outcomes observed where you live?
- What steps can we make together to improve outcomes for all communities?

This map shows redlining on top of Enterprise’s Economic Security Opportunity Outcomes which may suggest a historic legacy of redlining in Atlanta’s communities.
