THINK ABOUT WHERE YOU LIVE
• Where do you live?
• What stands out to you about this map?
• Where are the communities that were included on the redline maps but do not have outcome scores today? Why might this be?
• How might redlining play a role in shaping the experiences of the people in your community?
• In your experience, what other factors might be contributing to the outcomes observed where you live?
• What steps can we make together to improve outcomes for all communities?
