Housing + Transit Increases Opportunity

At the recent Clinton Global Initiative, Enterprise President and CEO Terri Ludwig and U.S. Transportation Secretary Anthony Foxx held a public conversation on equitable Transit-Oriented Development (eTOD).

[In a LinkedIn blog post](#), Terri writes that the conversation centered on the importance of creating quality affordable housing connected to transit, which increases access to jobs, good schools and services.

“Creating housing connected to transit is one of the most effective investments governments, businesses and nonprofits can make to increase economic growth, opportunity and quality of life for Americans,” Terri says.
