§ 2.2 The Consultant shall identify a representative authorized to act on behalf of the Consultant with respect to This Portion of the Project, and key personnel who will perform the Consultant's services. The Consultant shall not replace its identified representative or key personnel without the Architect's approval, which shall not unreasonably be withheld.

§ 5.6 The Architect shall advise the Consultant of the identity of other consultants participating in the Project and the scope of their services.

§ 5.7 If the Consultant reasonably requests information from investigations, surveys, tests, analyses and reports, or the services of other consultants not within the scope of the Consultant's services, the Architect shall request that the Owner furnish the information or services.

§ 5.8 The Architect shall be entitled to rely on the accuracy and completeness of services and information furnished by the Consultant. The Architect shall provide prompt written notice to the Consultant if the Architect becomes aware of any errors, omissions or inconsistencies in such services or information.

§ 7.3 The Consultant shall maintain on file, and make available to the Architect, design calculations for This Portion of the Project, and shall furnish copies thereof to the Architect on request.

## ARTICLE 8 CLAIMS AND DISPUTES

### § 8.1 General

§ 8.1.1 Any claim, dispute or other matter in question arising out of or related to this Agreement shall be subject to the same dispute resolution provisions as set forth in the Prime Agreement, except that if the claim, dispute or other matter in question is unrelated to a dispute between the Architect and Owner, or if the Consultant is legally precluded from being a party to the dispute resolution procedures set forth in the Prime Agreement, then claims, disputes or other matters in question shall be resolved in accordance with the procedures set forth in Section 8.2 and, if applicable, Section 8.3. If such matter relates to or is the subject of a lien arising out of the Consultant's services, the Consultant may proceed in accordance with applicable law to comply with the lien notice or filing deadlines prior to resolution of the matter under the dispute resolution provisions set forth in the Prime Agreement.

§ 8.1.2 The Consultant shall indemnify and hold the Architect and the Architect's officers and employees harmless from and against damages, losses and judgments arising from claims by third parties, including reasonable attorneys' fees and expenses recoverable under applicable law, but only to the extent they are caused by the negligent acts or omissions of the Consultant, its employees and its consultants in the performance of professional services under this Agreement. The Consultant's obligation to indemnify and hold harmless the Architect and its officers and employees does not include a duty to defend.

§ 8.1.3 The Architect shall indemnify and hold the Consultant and the Consultant's officers and employees harmless from and against damages, losses and judgments arising from claims by third parties, including reasonable attorneys' fees and expenses recoverable under applicable law, but only to the extent they are caused by the negligent acts or omissions of the Architect, its employees and its other consultants in the performance of professional services under this Agreement. The Architect's obligation to indemnify and hold harmless the Consultant and its officers and employees does not include a duty to defend.

§ 8.1.4 Disputes between the Architect and Consultant arising out of the Owner's acts, omissions or responsibilities under the Prime Agreement shall be resolved in accordance with the binding dispute resolution method in the Prime Agreement. In the event of such a dispute, the Consultant shall be entitled to relief only to the same extent and

according to the same provisions as the Architect is entitled to recover from the Owner after deduction for the Architect's costs incurred in presenting and litigating or arbitrating the claim, including legal fees, normal overhead costs and apportionment to other affected consultants.

## § 8.2 Mediation

§ 8.2.1 If claims, disputes or matters in question are unrelated to a dispute between the Architect and Owner, or if the Consultant is legally precluded from being a party to the dispute resolution procedures set forth in the Prime Agreement, then such claims, disputes or matters in question shall be subject to mediation as a condition precedent to the method of binding dispute resolution set forth below. Unless the parties mutually agree otherwise, mediation shall be administered by the American Arbitration Association in accordance with its Construction Industry Mediation Procedures in effect on the date of this Agreement. A request for mediation shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the mediation. The request may be made concurrently with the filing of a complaint or other appropriate demand for binding dispute resolution, but, in such event, mediation shall proceed in advance of binding dispute resolution proceedings, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or court order. If an arbitration proceeding is stayed pursuant to this section, the parties may nonetheless proceed to the selection of the arbitrator(s) and agree upon a schedule for later proceedings.

§ 8.2.2 The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

§ 8.2.3 If the parties do not resolve a dispute through mediation pursuant to this Section 8.2, the method of binding dispute resolution shall be the following:

*(Check the appropriate box.)*

- Arbitration pursuant to the terms and conditions set forth in Section 8.3.
- Litigation in a court of competent jurisdiction
- Other: *(Specify)*

If the Architect and Consultant do not select a method of binding dispute resolution, or do not subsequently agree in writing to a binding dispute resolution method other than litigation, the dispute will be resolved in a court of competent jurisdiction.

## § 8.3 Arbitration

§ 8.3.1 If the parties have selected arbitration as the method for binding dispute resolution in this Agreement, any claim, dispute or other matter in question arising out of or related to this Agreement subject to, but not resolved by, mediation shall be subject to arbitration, which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its Construction Industry Arbitration Rules in effect on the date of this Agreement. A demand for arbitration shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the arbitration.

§ 8.3.1.1 A demand for arbitration shall be made no earlier than concurrently with the filing of a request for mediation, but in no event shall it be made after the date when the institution of legal or equitable proceedings based on the claim, dispute or other matter in question would be barred by the applicable statute of limitations. For statute of limitations purposes, receipt of a written demand for arbitration by the person or entity administering the arbitration shall constitute the institution of legal or equitable proceedings based on the claim, dispute or other matter in question.

§ 8.3.2 The foregoing agreement to arbitrate, and other agreements to arbitrate with an additional person or entity duly consented to by parties to this Agreement, shall be specifically enforceable in accordance with applicable law in any court having jurisdiction thereof.

§ 8.3.3 The award rendered by the arbitrator(s) shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.

#### § 8.3.4 Consolidation or Joinder

§ 8.3.4.1 Either party, at its sole discretion, may consolidate an arbitration conducted under this Agreement with any other arbitration to which it is a party provided that (1) the arbitration agreement governing the other arbitration permits consolidation; (2) the arbitrations to be consolidated substantially involve common questions of law or fact; and (3) the arbitrations employ materially similar procedural rules and methods for selecting arbitrator(s).

§ 8.3.4.2 Either party, at its sole discretion, may include by joinder persons or entities substantially involved in a common question of law or fact whose presence is required if complete relief is to be accorded in arbitration, provided that the party sought to be joined consents in writing to such joinder. Consent to arbitration involving an additional person or entity shall not constitute consent to arbitration of any claim, dispute or other matter in question not described in the written consent.

§ 8.3.4.3 The Architect and Consultant grant to any person or entity made a party to an arbitration conducted under this Section 8.3, whether by joinder or consolidation, the same rights of joinder and consolidation as the Architect and Consultant under this Agreement.

### ARTICLE 9 TERMINATION OR SUSPENSION

§ 9.1 Except as otherwise provided below, the Architect may terminate this Agreement or suspend the Consultant's services pursuant to the same terms and conditions, other than the amount of any Termination Fee or Licensing Fee set forth in the Prime Agreement, under which the Owner may terminate the Prime Agreement or suspend the Architect's services under the Prime Agreement. If it is determined that any provision of the Agreement violates any law, or is otherwise invalid or unenforceable, then that provision shall be revised to the extent necessary to make that provision legal and enforceable. In such case, the Agreement shall be construed, to the fullest extent permitted by law, to give effect to the parties’ intentions and purposes in executing the Agreement.
