

Enhancing and Implementing
Homeownership Programs in Native Communities

Enterprise Community Partners, Rural and Native American Initiative
**The Native Homeownership Learning Communities Cohort
Call for Applications**

Narrative Attachment

INSTRUCTIONS

Applicants must thoroughly answer all questions listed below and upload a completed copy in SlideRoom as part of the application response. Not to exceed 3 pages.

NARRATIVE QUESTIONS

1. What is the current homeownership experience of your organization?
2. Please describe any on-going planning, initiatives or activities underway at your organization as relevant to operating a homeownership program.
3. Briefly describe what homeownership opportunities would mean for the community you serve.
4. Briefly describe your organization's interest in participating in the Cohort.
5. Explain your organizations commitment to homeownership opportunities and to participate in the cohort.
6. Please identify the participants and titles of those who will be involved in this effort. We anticipate a homeownership practitioner attending all sessions, online and in-person. We anticipate 2-3 sessions with potentially 1 being in person to engage a housing leader position such as an executive director and 1-2 session online sessions will engage a tribal government position.
