

CONSTRUCTION CAREERS at METRO

How Does it Work?

People work hard building infrastructure. They receive training, living wages and worker benefits that allow them to re-invest in their communities.

CREATE CAREER PATH OPPORTUNITIES FOR ALL WITH METRO'S FUTURE TRANSIT AND HIGHWAY PROJECTS

(Long Range Transportation Plan, or LRTP)

TAX PAYERS

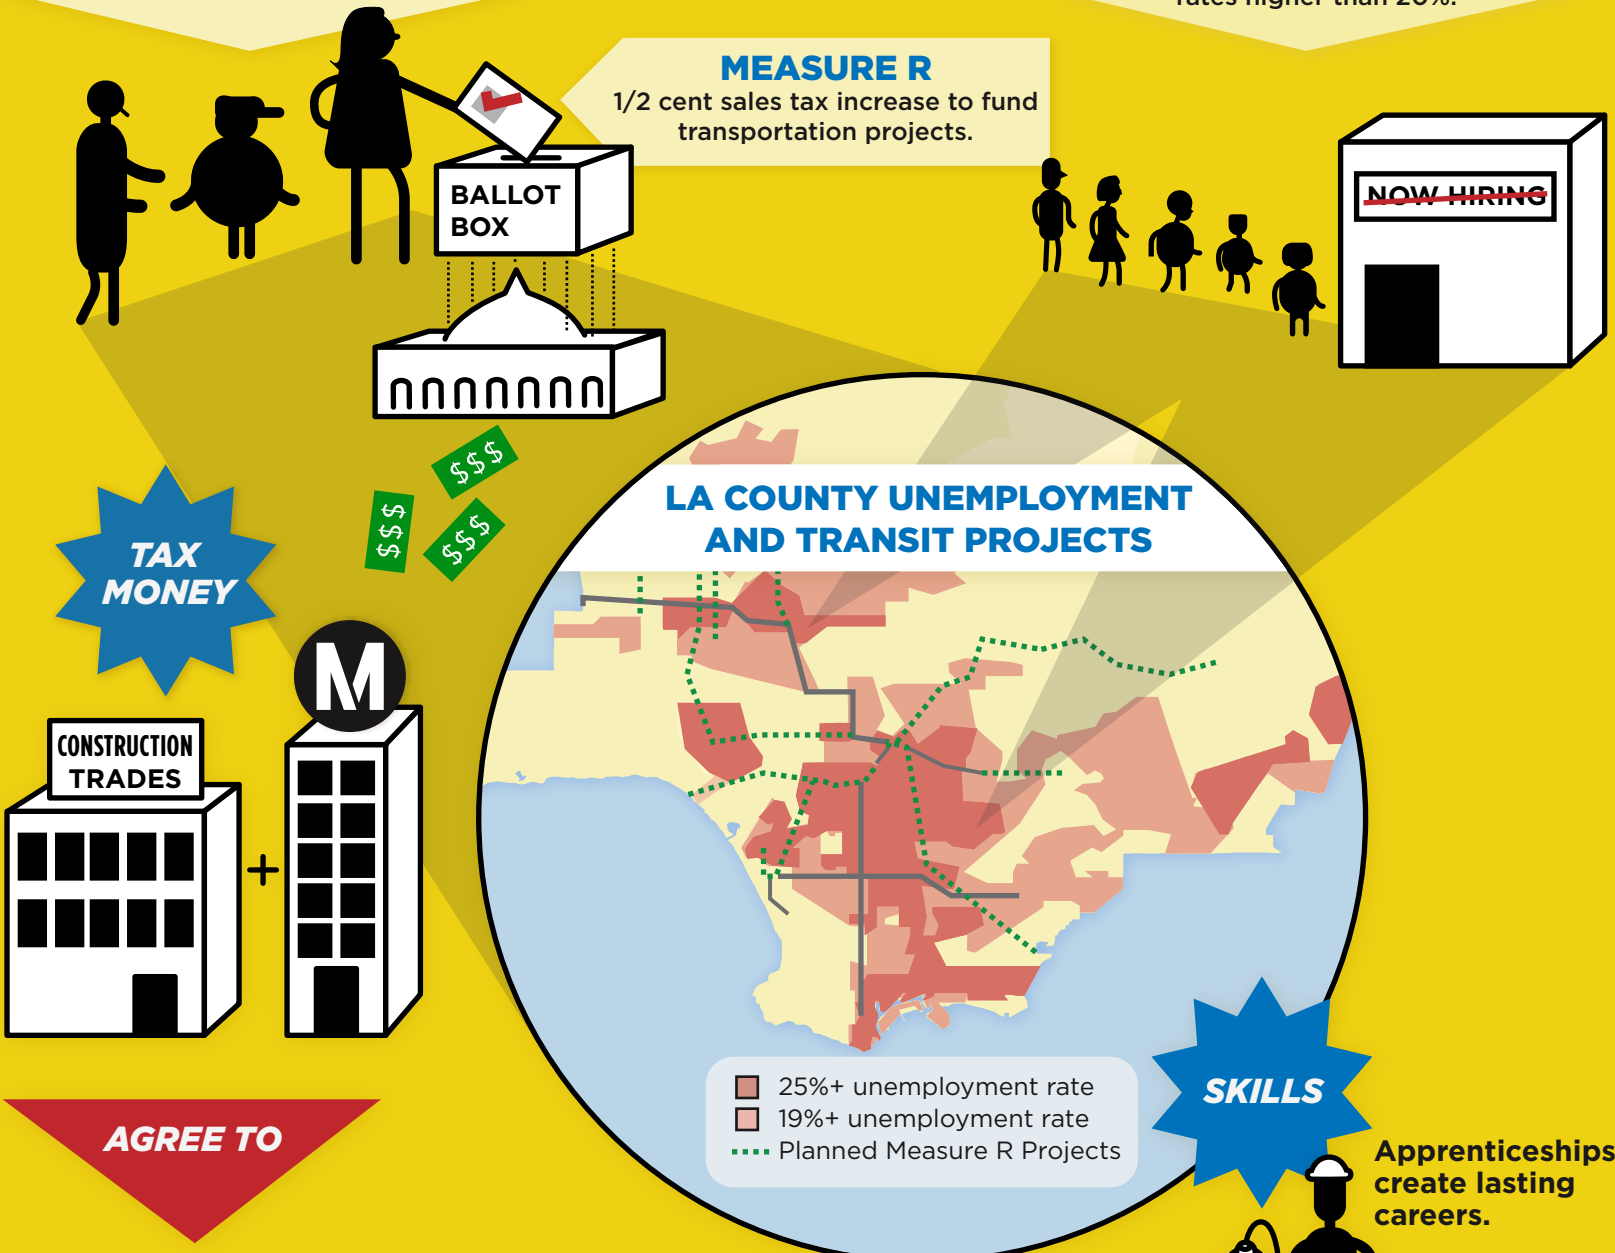

LA County residents voted for better transit options. Their tax money needs to be invested in the best way possible.

DISADVANTAGED WORKERS

Many communities around Los Angeles have unemployment rates higher than 20%.

MEASURE R

1/2 cent sales tax increase to fund transportation projects.

TAX MONEY

CONSTRUCTION TRADES

AGREE TO

LA COUNTY UNEMPLOYMENT AND TRANSIT PROJECTS

- 25%+ unemployment rate
- 19%+ unemployment rate
- Planned Measure R Projects

SKILLS

Apprenticeships create lasting careers.

A Project Labor Agreement

New construction jobs are assured to be good jobs with benefits and fair salaries.

Targeted Hire

Residents in communities with high unemployment and poverty are given access to these jobs.

Construction Careers provide family supporting wages and benefits.

GOOD JOBS

Middle-class wages support healthy, stable families.

STRONG COMMUNITIES

Middle-class wages allow for community reinvestment.

EVERYONE BENEFITS!
